

# Be A HOLIDAY of HOPE and CELEBRATION SUPPORTER

We are hosting a special, private event to support the families who have come through the doors of the CACKC and are dealing with the traumatic impact that child abuse has caused in their lives.

We aim to raise funds to provide a very memorable, fun filled experience in the midst of their struggle and fund supplemental services for those families that require more extensive care.

We look to host 65 families for this event and intend to offer special gifts, lots of activities, food and fun!

This is not a public event, as we want to ensure a confidential, safe space that is focused on offering an enjoyable experience for these families. We hope you see the value in this event and choose to support our efforts!
